Preamble to the Cantoria

We the Seniors of Saint Nicholas School, in order to form a more perfect fusion of our enthusiasm for sports and rampant class spirit, establish Justice and Mercy (which are not extant in our world), abolish domestic tranquility by perpetuating Rebel Yells, provide for the common defense against Finks and Pumpkins, promote the general welfare by encouraging academic excellence, and secure the Blessings of Individuality to ourselves and our Posterity (the Freshmen), do compile and publish this Cantoria for Saint Nicholas School.

SENIORS

Senior Class History

Throughout our last year in high school, the class of 1960 has been very busy. When school opened in September, our main objective was to find the key and receive our Senior privileges, foremost of which was exclusive access to the Senior Lounge—a privilege which we soon lost. Following our class tea in October, our next main project was the play. We presented "You Can't Take It With You" on November 20th. In March the Seniors captured the basketball trophy, for the second year, at the Father-Daughter Banquet.

This year we also added three new members to our class. Aagot Edwin, our foreign exchange student from Sweden, was first to arrive, late in the summer. Next we all welcomed back Casey Carlson, who had left St. Nick in her Sophomore year to spend two years in La Chatelainie in Switzerland. In February, Heidi Nuss from Germany became the thirty-second Senior. Our class became enriched by the addition of these three girls.

Our major, year-long project, which kept us busy from September to May, was, of course, the CANTORIA. Every member of the Class of '60 worked diligently to make a success of it.

We ended a very busy last year with a beautiful Senior Prom, the climax of our fun-filled Senior Week. Held at the Tyee Yacht Club, the nautical theme was carried out by an after-party on the Silver Swan.

Our Senior year, typically busy and absorbing, was a fitting climax for our years at Saint Nicholas. We will remember it forever, and, thanks to the firm and friendly guidance of Mrs. Mates, it was a success.

We of the Senior Class feel deeply indebted to Mrs. Mates. As our Junior and Senior English teacher, she has guided us through the realms of grammar, literature and preparations for college boards. As our Senior Sponsor, she has been the person we could always turn to for advice. In the course of the year she was awarded the Laurel Wreath in recognition of outstanding devotion to our cause. As an advisor and unwavering supporter of the Senior Class, Mrs. Mates has endeared herself to the prodigal Seniors.

Senior Song

(to the tune of "Look Homeward, Angel")

We're leaving St. Nick,
Though our hearts are sad,
We will ne'er forget
The friends and fun we've had.

The sports and spirit
That we've cherished so,
All these memories fond
Within our hearts will glow.

Don't you know how very much
We'll miss you?
You will be a part
Of all we do,

And in the future,
We will proudly tell
Of the day the Class of '60
Said farewell—

The Class of 1960 bids farewell!

Rosalind Benaroya

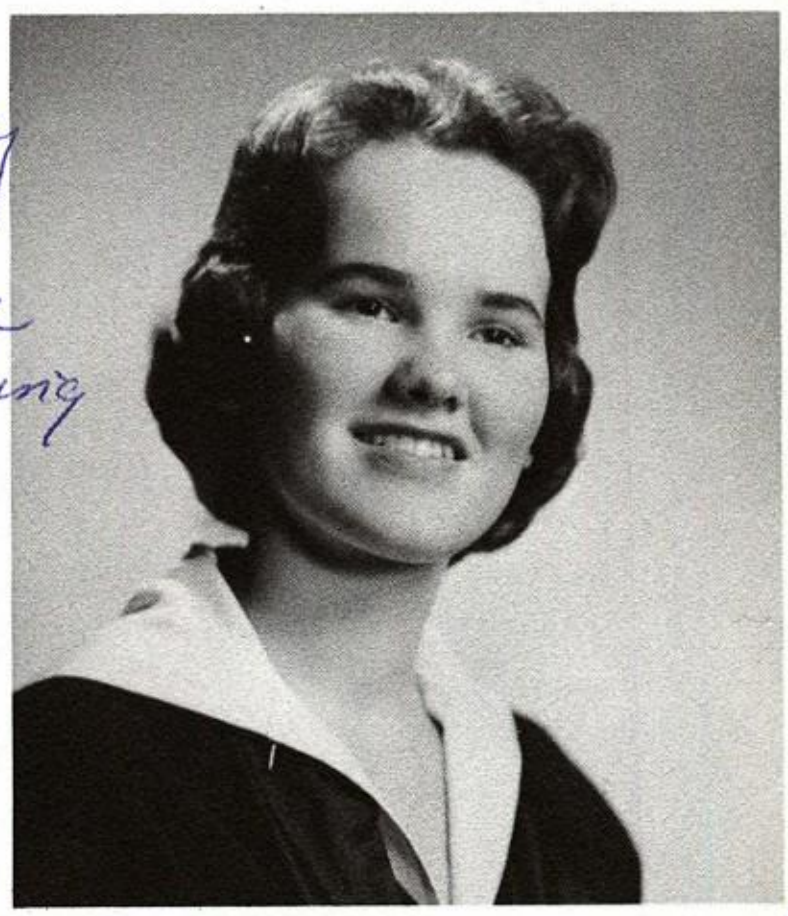
During her six years at Saint Nicholas, Rosie has been a highly-valued and well-liked member of her class. Her patience and perseverance have earned her such responsibilities as Class Captain, Assistant Business Editor of the *Quill,* Vice President of Lambda, co-chairman of the Junior Prom, and Assistant Business Editor of the CANTORIA. Organization, efficiency, and neatness are characteristics of anything she undertakes. Dark-haired and with sophisticated poise, Rosie was chosen to be the Saint Nicholas fashion board representative to Best's Apparel this year. Combining this capability and charm with musical talent, she has been a member of Nonette for the past two years. Although she is quiet and somewhat reserved, her sense of humor and fun have had no trouble in showing themselves—especially in the portrayal of the antics of Essie in the Senior Play.

Well Diana,
It's over - all over! I'm really sorta sad. But it's really been fun, huh? Thanx for all the out-of-the-way trouble you've gone to for me - picking me up & taking me home etc. Have fun at the U. & good luck.

Ann Bugge

Ann first came to us as a Freshman, but the public school system claimed her once more during her Sophomore year. With the opening of our Junior year, we noticed her smiling face once again in our midst. This time she was back to stay. During her high school career she has held various offices such as Class Captain, Treasurer, Senior Class Secretary as well as co-chairman and originator of the posture contest. Ann has also been a stimulating and eager helper in our numerous class projects as was shown by her able management of the finances of the Senior Play. We will always remember her dimpled smile, ready friendliness and willingness to help whenever needed.

I can't think this morning, you caught at a bad time - Oh well Bye for n Be

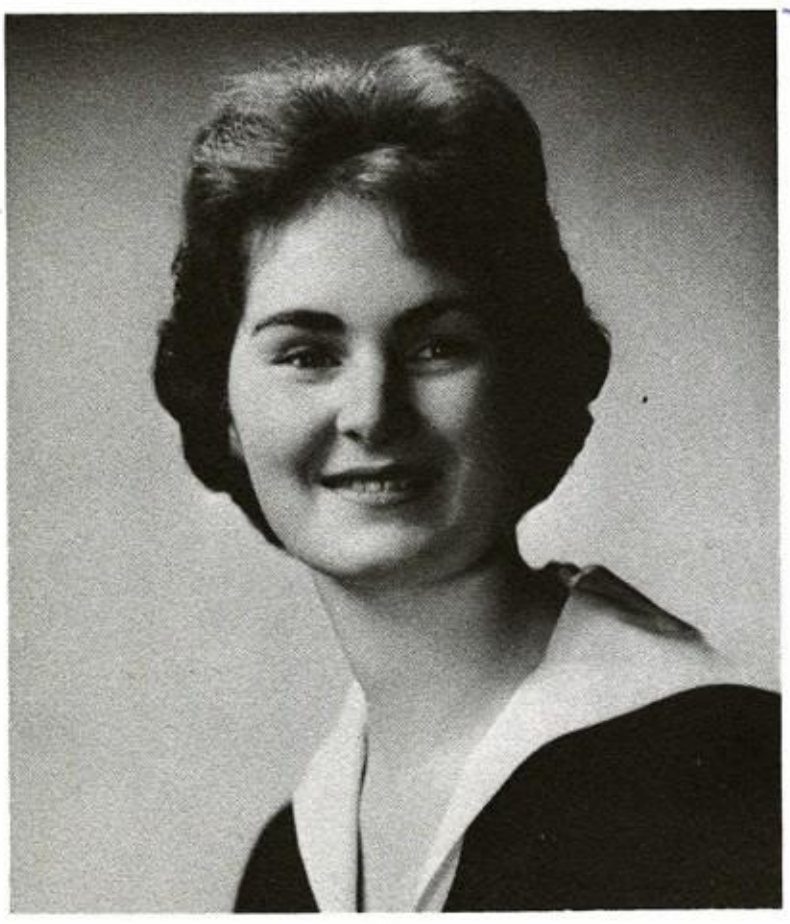


Dianna - Your uniqueness as an 11 year, has contributed to the assortment greatness of our top class. Next year will find us in all directions. But I know that none of us will ever forget all we have done together. My best to you of the University and success in all you undertake.

Jane Carlson

Janie has certainly been an asset to both Saint Nicholas and the class of '60. A very capable leader, she was A.A. treasurer in her Sophomore year and Ski Team Captain in her Junior year. It is only natural that Janie should have done such an outstanding job in her role of this year's Lambda President since she spent last summer in Switzerland with the Experiment in International Living and has been Aagot's "American sister." Janie has sung with the Glee Club and Nonette for three years, and has participated in many after-school sports. Her excellent performance in the role of "Gramps" in the Senior Play will never be forgotten. Janie's enthusiasm, vitality, and sense of fun have been appreciated by all.

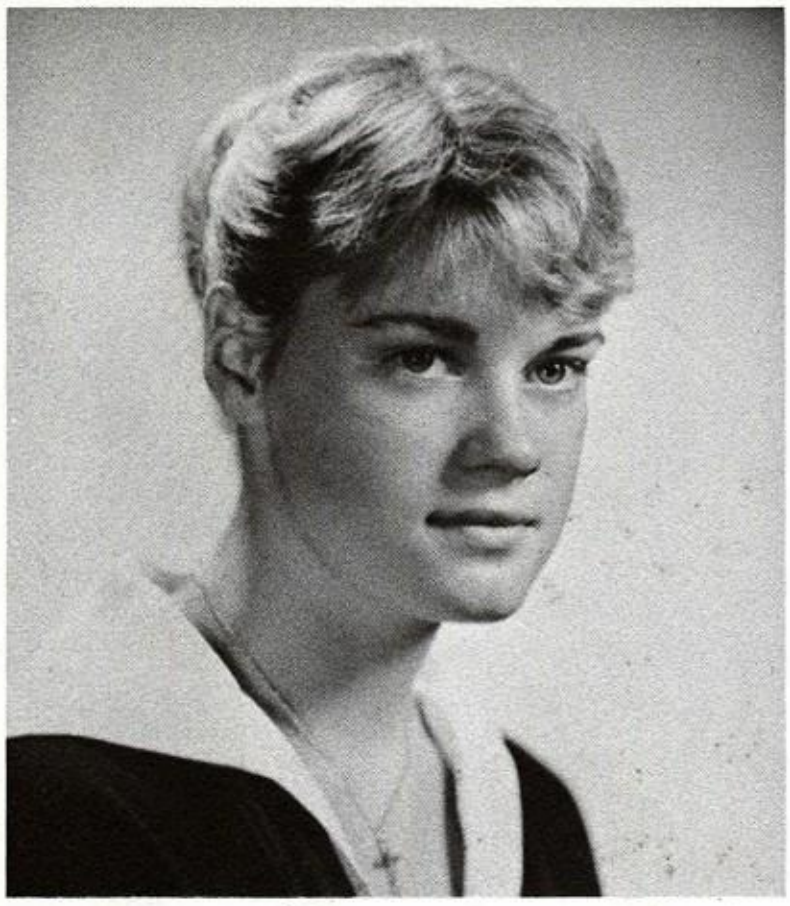
Love,
Janie
"J.C."



Karen Carlson

Casey started at Saint Nicholas in the fourth grade, but after her Sophomore year, she left to attend La Chatelaine school in Switzerland for two years. Now she has returned and has joined our class as a Senior. During her three high school years at Saint Nick she has participated actively in A.A., and, as basketball gym captain, she led us to victory in the Father-Daughter Banquet. Also, Casey has held the class offices of Treasurer, Vice-President, and Secretary. She will be remembered for her portrayal of Donald in the Senior Play and for her excellent assembly on her Swiss school. Since she has returned, we have all come to know her warm personality and admire her mature judgment.

Dear Dianna,
Well, here we are at the end of a fabulous year and I really don't think that it could have been better. We have done so many things together: basketball at Lodge, Chevy parties, parties and more parties. Have a great time at Trail next year. Best of luck to you always.
Love,
Casey



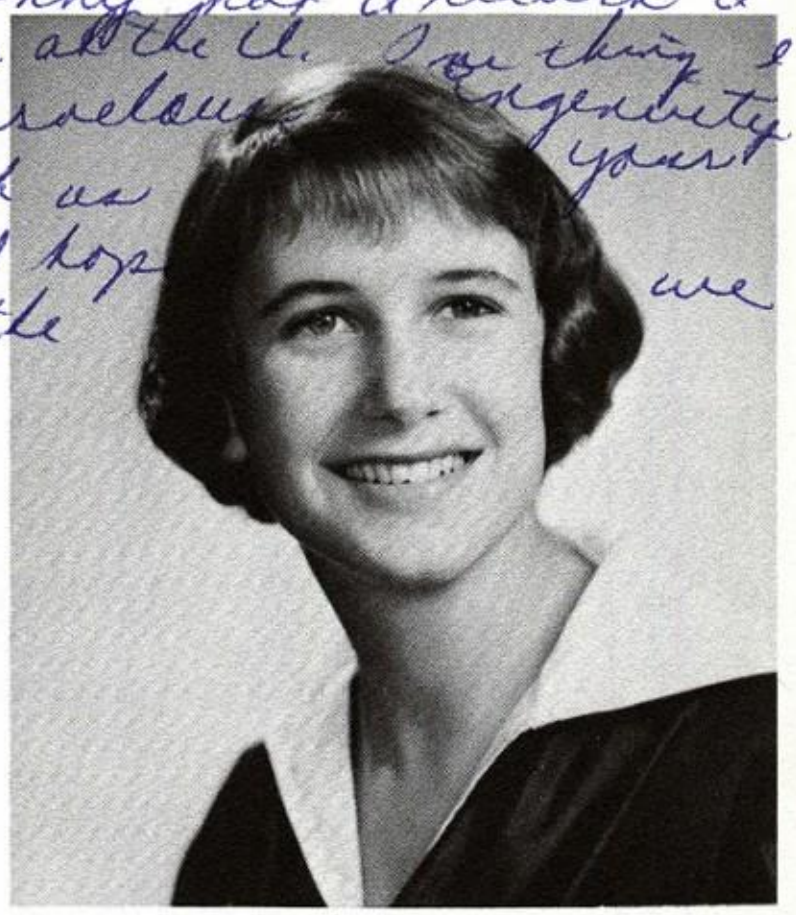
Cara Collins

Cara has been a loyal supporter of the Class of '60 ever since she came to Saint Nick in the seventh grade. She spent her eighth grade year at Saint George's School in Switzerland and returned here for her four high school years. Because of Cara's statuesque build, she has been an invaluable asset to our class volleyball teams. She also demonstrated her support to the class by holding several class offices including that of Gym Captain in her Junior year. In her Senior year, she ably served on the wardrobe committee for the Senior Play. In all, Cara has proven herself a valuable part of our class. We will always remember her gay wit as well as the strong support she gave our various class projects.

Hi,
After four years it will seem funny not to return to St. Nick's. But we will be together at the U. One thing I admire about you is your marvelous ingenuity your think of the best things such as your tape-recorder and your camera. I hope we will see alot of each other at the U. Have fun this summer.
Love,
TEX

Mary Elizabeth David

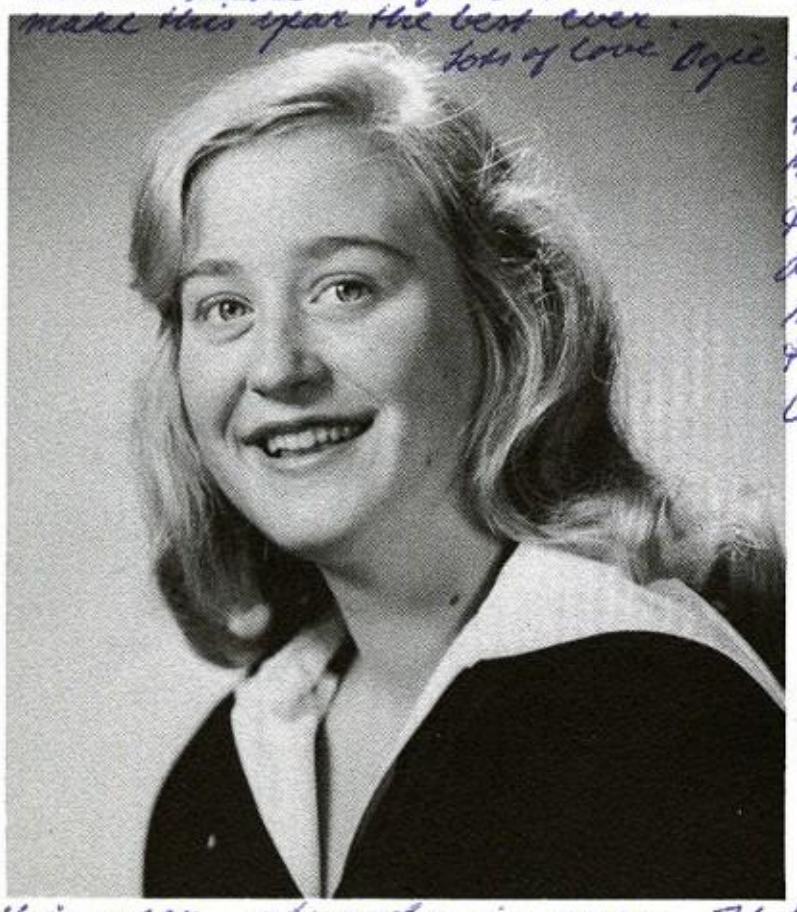
Since coming to St. Nick in her Freshman year, Tex has proven to be an energetic member of our class. Her many activities throughout her last four years include various class offices, such as Class Captain in her Junior year, parts in the Christmas Pageant in her Junior and Senior years, humor editor of the *Jinx,* and the Assistant Photography Editor of the CANTORIA. As Paul Sycamore in the Senior Play, Tex was a great success. Her enthusiasm for all class projects and her winning way will always be remembered by the class.



Elizabeth Edmunds

Ever since Boo entered St. Nick in the seventh grade, she has been an integral part as well as a recognized leader of our class. She became Class Captain in her Sophomore year and has held three offices in the Athletic Association: Secretary as a Sophomore, Vice-President as a Junior, and President as a Senior. Her ability in and enthusiasm for all sports has made her invaluable as a member of all class and varsity volleyball and basketball teams. Boo's excellent academic achievements are combined with a characteristic "nothing-to-it" attitude. Her loyalty to the Senior Class has made her the champion defender of the Senior Lounge privileges for the underdog. School would have been almost routine without Boo's irrepressible humor and undaunted frankness. Her inexhaustible pep and friendliness have contributed greatly to the unity of our class.

P.S. Will never forget you + all you've done to make me feel at home + make this year the best ever.
Lots of love Aagot



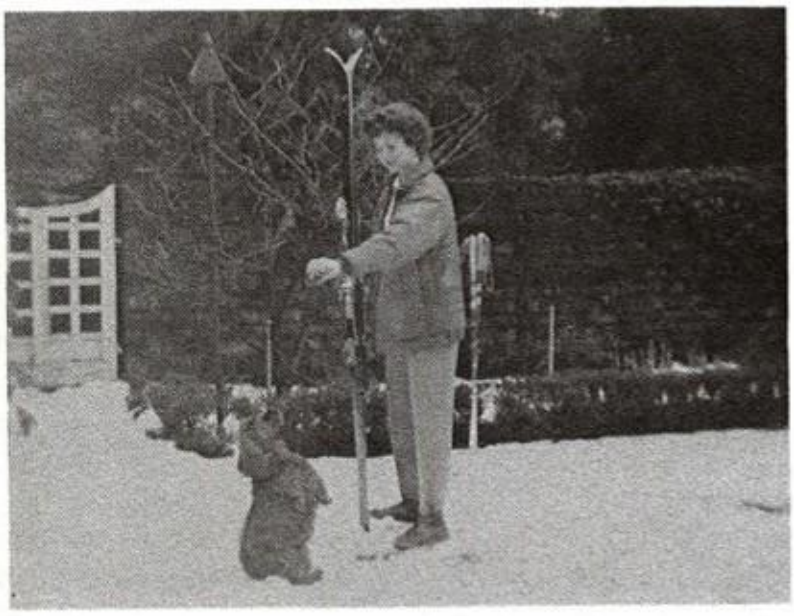
Aagot Edwin

Aagot has been a tremendous addition to our Senior Class in her all-too-short year at Saint Nicholas. Everything she has done for and with our class has been with great enthusiasm and energy as was seen in her convincing portrayal of Olga Katrina in the Senior Play. Her keenness and intellect have enabled her to overcome all language barriers and to command for herself a place on the honor roll. Besides maintaining this high scholastic average, she also has shown athletic ability in holding down a position on the varsity and class volleyball teams. Of all her fine qualities, we will remember Aagot most for her outgoing friendliness to everyone and her perpetual gaiety and good humor.

Dear Dianna
I've known all the time that this year has been the best. I've ever had, but I never realized that it meant this much to me before today. (I was really starting a whole reminiscension!) It will be awful to leave you, but I'll have my memories from this fantastic year + I do hope to be back some day. Do you remember all the fun we've had in Eng. + Hist class not to forget when we suddenly discovered that you had a tape recorder at Cherry Shore!!! This Senior week has really been the top of the year especially the Prom. Wasn't it a ball?!" you should have seen Willie at Mitch's. He tried to climb the house wall to keep awake as he said. I can hardly believe that this year already is over. It has gone so much too fast. Have a ball at the U. I hope to join you in 2 years. Till then all the best of luck + love always Aagot

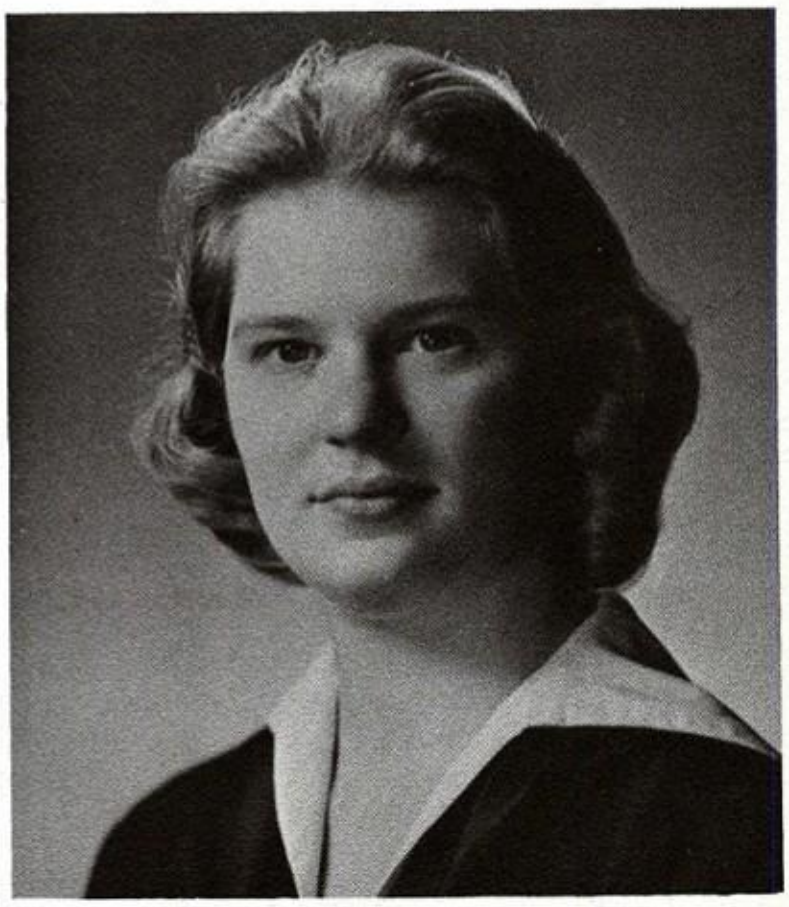
Marilyn Gandy

Ever since she entered Saint Nicholas in the seventh grade, Marilyn has been one of our more outstanding leaders. As Sophomore Class Captain, Secretary and later Vice-President-Treasurer of Student Government, Marilyn showed herself to be a well-organized, and extremely capable student. This year, as Senior Class President, she has guided us well through our often difficult problems. As well as her school activities, Marilyn is also an avid sportswoman. Saint Nicholas can thank Marilyn and her family for having our first exchange student. Few will forget her unselfish devotion to our school and the Class of 1960.



Ruth Genung

In six years at Saint Nicholas Ruth has proven herself to be one of the most well-rounded persons in our class. She has excelled in all phases of our school life—leadership, academics, and sports. Not only has she participated in all class projects, but also has been active in all school activities. In her Sophomore year Ruth served responsibly as Class Captain, Secretary of A.A. and Editor of the *Quill*. The following year Ruth ably headed the *Jinx* staff during the second semester. Senior year brought on added responsibilities for her as Senior Class Secretary and Photography Editor of the CANTORIA. Throughout the years Ruth's name has frequently appeared on the class and varsity teams and on the honor roll. In addition to all her activities the Class of 1960 can always depend on Ruth's timely remarks to make or break the peace.

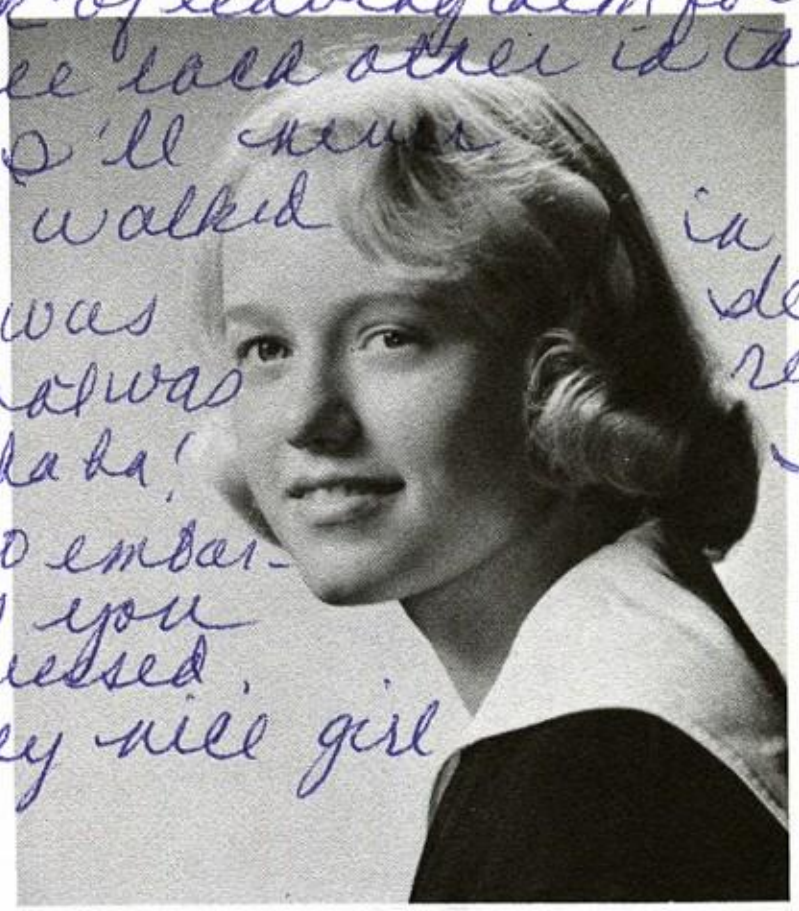


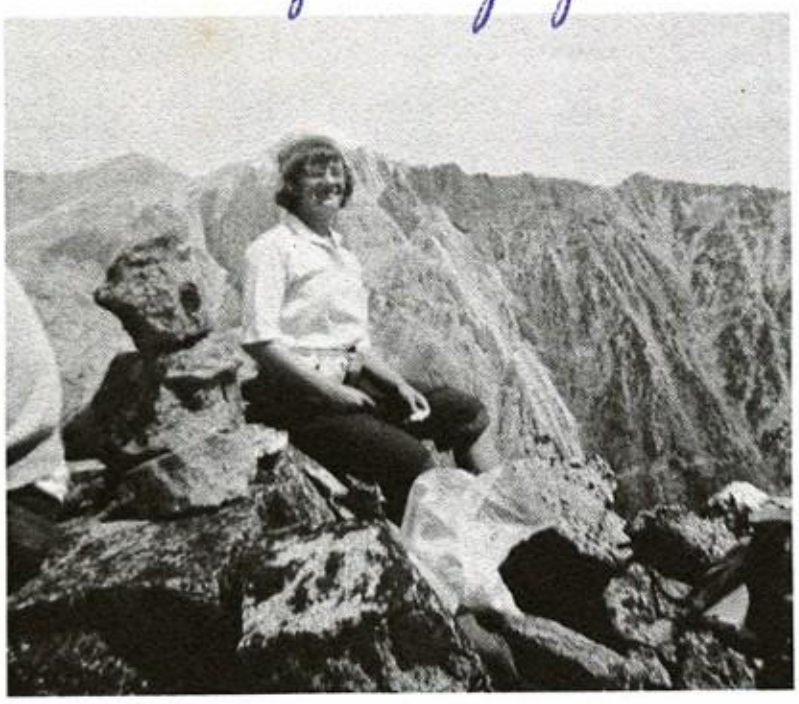
Dear Diana,
When I think back on all the years we've been together it makes me sad to think of leaving them forever but I'm sure we'll see each other in the future many times - I hope! I'll never forget the time you walked in during your — the was — ha ha! so embarassed as you guessed. I was really I was probably Lots of love and luck to a really nice girl in everything you do!

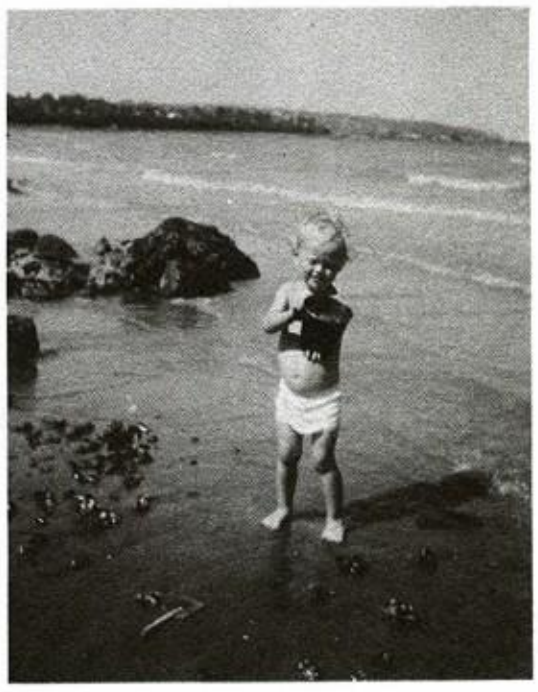
Love,
Lynda

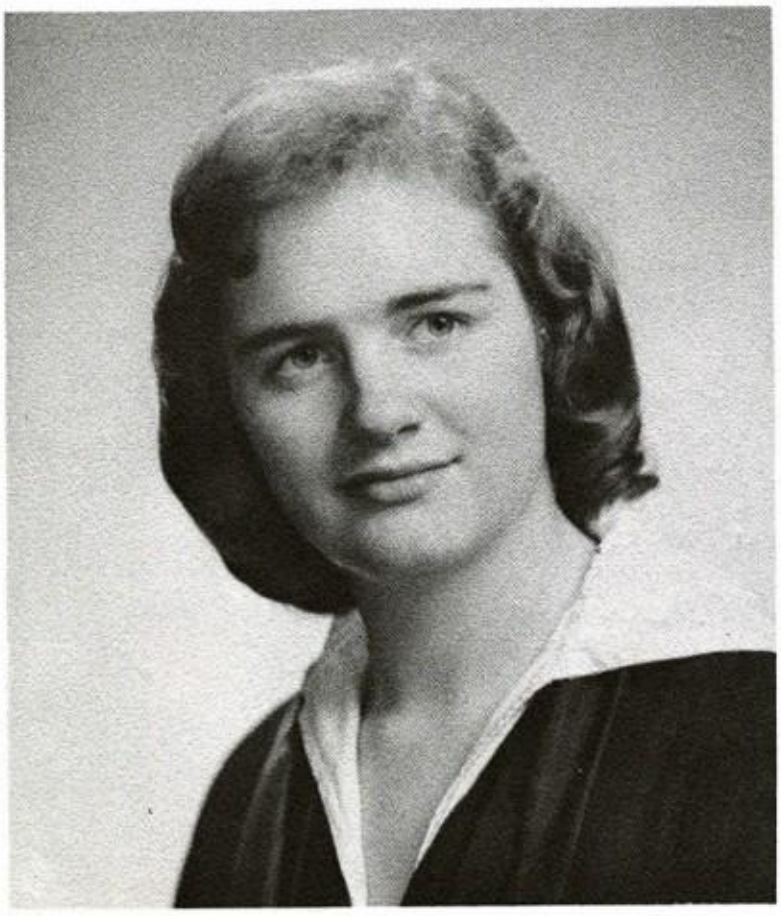
Lynda Griffiths

During her ten years at Saint Nicholas, Lynda has been a valued member of the Class of '60. She ably served our class as co-chairman of the make-up committee for our Senior Play and has been an indispensable asset to our class volleyball team. Chosen captain of the school's varsity volleyball team this year, Lynda did much to enlist school spirit at the Bush-St. Nick games. Under her leadership the team won two overwhelming victories, a feat not accomplished for many years. We will always remember Lynda as our "Lakeside Girl," known for her Sun Valley holidays, pretty blond hair, blue Buick, and famous "You wish!"









Celia Hansen

Celia has proven herself to be an asset to our class in numerous ways. She adeptly filled the position of Class Treasurer in her Junior year and was later selected as one of the Junior Class representatives to the annual religious conference held at Annie Wright Seminary. Celia was selected as a delegate to an American Friends' Work Camp in Idaho this past summer. This experience provided the basis for an interesting assembly last fall. An avid Mountaineer, she has done a good deal of skiing, mountain climbing, and folkdancing. During her five years at Saint Nicholas, Celia's classmates have come to appreciate her dry wit and astute comments.

Hi ho Trick,
Guess we've had quite a bit of fun in class & out, Hope all your dances are as fun as the Sr. Prom. Good luck at Duke U. You've got it. Will hear already with your enthusiasm. C.L.

Alice Harper

Throughout her six years at Saint Nicholas Alice has been an outstanding leader of her class. She was elected Class Captain in her Freshman year, Treasurer of our Sophomore class and Secretary in her Junior year. Alice has maintained a permanent position on the honor roll for her four high school years. As Editor of both *Jinx* and CANTORIA, Alice demonstrated her literary skill and ability at organization. Musically gifted as well, Alice is one of the few four-year members of Glee Club and was elected its librarian this year. Alice has shown athletic ability as an active member of the class basketball teams. Her enthusiasm for sports made her a natural choice for a Lakeside cheerleader. With a keen eye to fashion, Alice represented Saint Nicholas on the Nordstrom Fashion Board. She combined a sense of humor with all of these talents—we will never forget her hilarious portrayal of Gay Wellington in the Senior Play.

Dear Dianne
Still can't

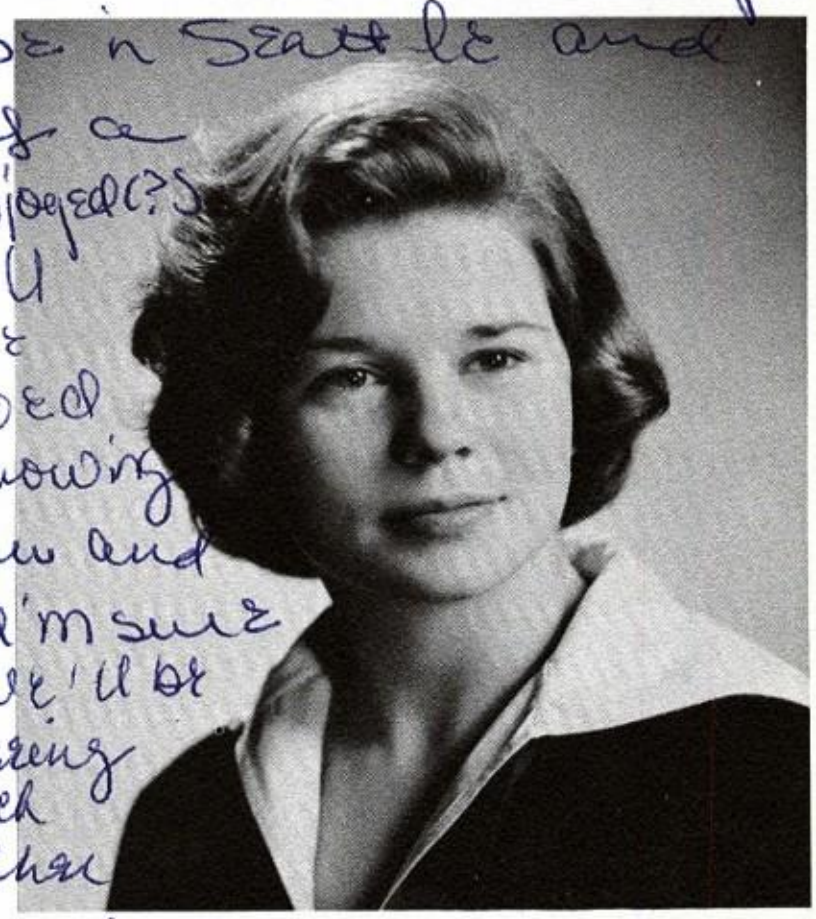
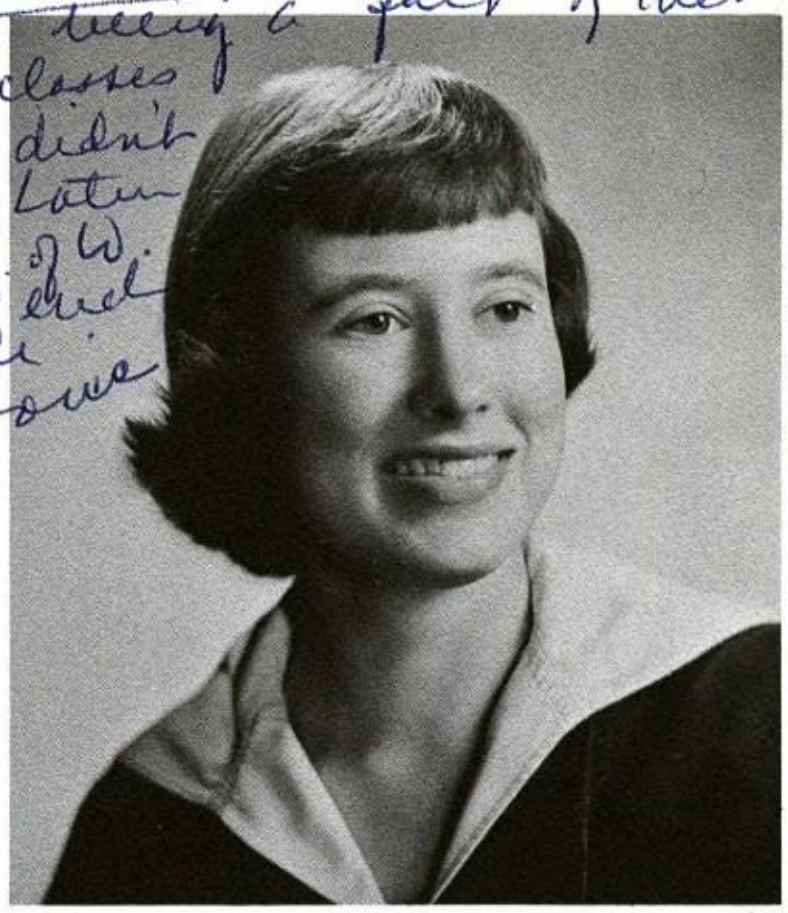
Barbara Hiscock

Bobbie, one of the few eleven-year girls of our class, has created much spark and spirit in our lives. It goes without saying that when there is a conversation of any type Bobbie always adds her witty and observant remarks. In high school particularly, we have come to know her as an intelligent as well as enthusiastic member of our class. As Sophomore Class Treasurer, she showed her ability to handle funds. In her Senior year more of her talents came out, especially in acting and skiing. As Mr. DePinna in the Senior Play, she played the amusing role of a fat, jovial, and naive character. Her outstanding skiing ability made it possible for her to be one of the few Seniors on the ski team. Bobbie's spirit, intellect, and subtle humor will always be remembered.



in the future - Love always
Bobbie

Dear Diana -
Congrats on having lived through eleven years of St. Nick's
It's been great knowing you and being a part of this
class. I haven't had very many classes
with you somehow - you know, you didn't
have the stupidity to take 4 years of Latin
etc. Have a great time at U. of W.
I know you will. Lots of luck
Hoove



Ann Hoover

When "Hoovie" entered Saint Nicholas, she was immediately recognized for her leadership qualities and honor grades. She has ably held several class offices including Captain of the Freshman Class. As a Sophomore, however, Ann left our class for a year to attend school in Europe. Upon her return in her Junior year, she served as a member of the *Jinx* staff, and she received both the Latin and English cups for her scholastic achievements. Ann's activities in her Senior year have included her role as a G-man in the Senior Play, "You Can't Take It With You," her participation in the Christmas Pageant, and most important, Assistant Editor of the CANTORIA. In spite of her many activities, Ann has been a steady honor roll student. She will always be remembered for her ability to liven our class spirits by her witty remarks.

Cynthia Katz

Combining droll wit with a keen mind, Cynthia has been one of the best-liked members of our class. Her tales about her European travels have made Cynthia the envy of her classmates. Perhaps her year in France helped Cynthia to capitalize on her natural aptitude for the French language: She is an outstanding student of French IV, was elected Vice-President of the French Club in 1958, and received the National Prix d'Honneur while only a Sophomore. Cynthia excels in almost everything she undertakes—her sparkling sense of humor and keen wit made her a natural choice for Humor Editor of the *Jinx*. Talent in the arts is another facet of Cynthia's personality. She gave a polished performance as Mrs. Kirby in the Senior Play and was an able Christmas Pageant narrator last year. Cynthia will be long remembered as one of the most talented and witty Seniors.

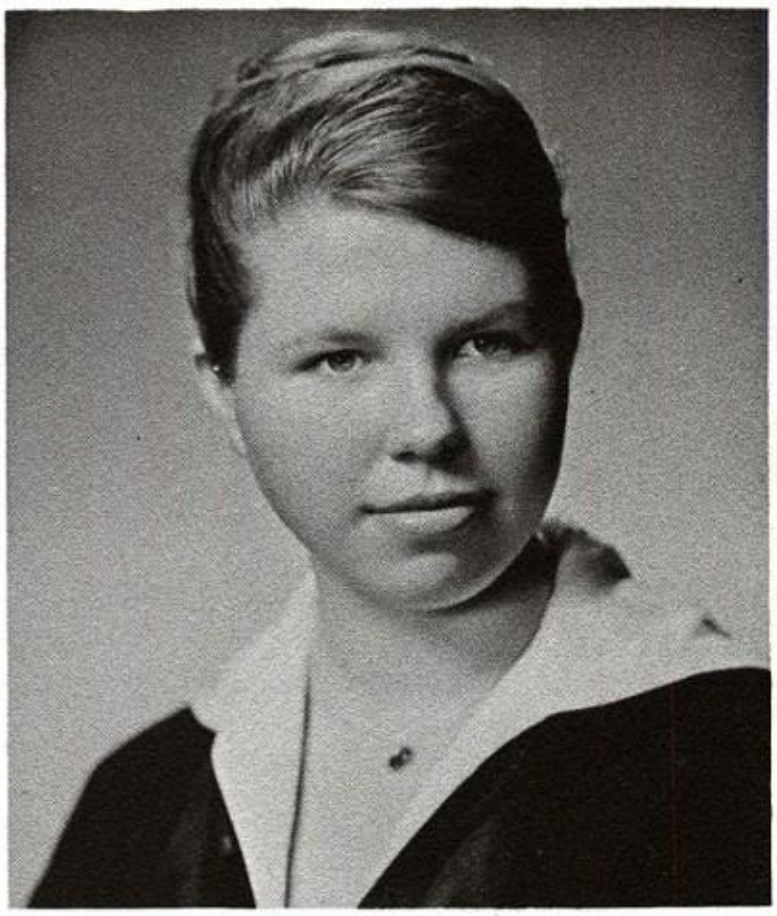
Dear Dianna,
after 11 years I imagine your have rather mixed emotions about leaving St. Nick. We've had a lot of fun and it looks as though we'll have many more years to look forward to as school girls at the U. Best of luck and I'll see you on the campus.
Love,
Lynn

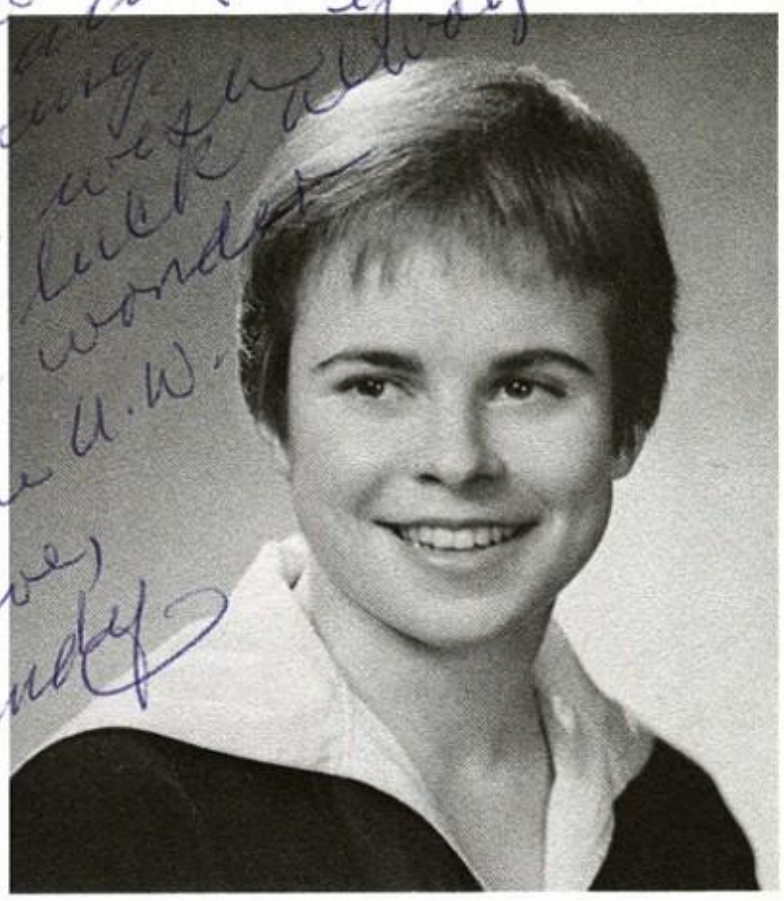
Lynn Lasley

Fun-loving, popular Mitsu, as we call her, is one of our busiest and most accomplished Seniors. Entering Saint Nick in her Freshman year, she gained the sincere respect of everyone and was elected Class Captain second semester. Since then she has been Student Government Secretary in her Sophomore year; Lambda Secretary-Treasurer and chairman of the Junior Class Fashion Show in her Junior year; and President of Student Government this year. Showing an attentive interest in A.A., she has been on the volleyball and basketball varsity teams all four years and also earned the "S" pin for good sportsmanship. With all this she has maintained her place throughout high school and was awarded the Latin Cup in her Freshman and Sophomore years. Lynn is everyone's friend and is loved and respected by the entire school.

Dede Martin

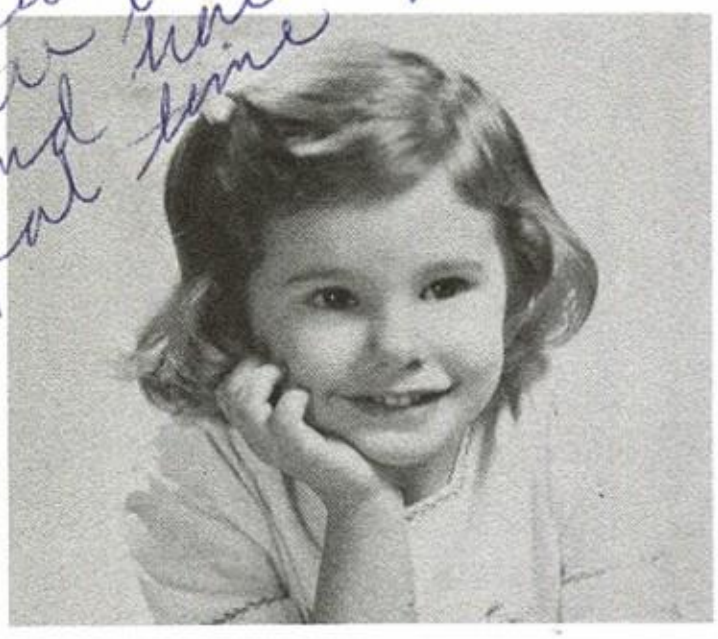
Very conscientious and hard working, Dede is the class consoler and peacemaker, yet is always ready to defend her own point of view. She has proven her artistic ability by being Art Editor of the CANTORIA, the *Jinx* and the *Quill,* as well as doing all the other art work for our class activities. Besides designing the programs and the posters for the Senior Play, Dede gave an hilariously memorable performance as Rheba. This was not her debut on the school stage, however, for in her Sophomore year she did an excellent job as the narrator for the Christmas Pageant. Her sincere interest in charitable and social work made Dede a wise choice for a delegate to this year's religious conference at Annie Wright. Her sincerity and outstanding artistic talent have been greatly admired by her classmates.

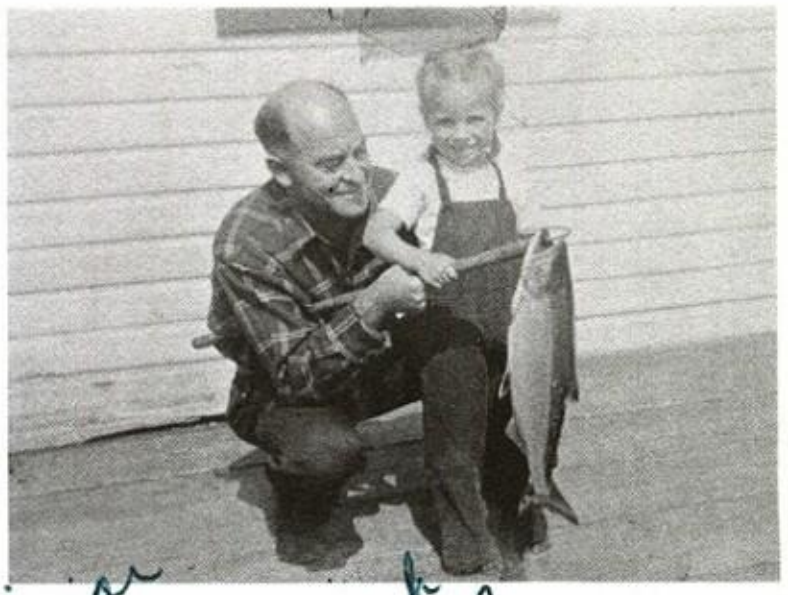


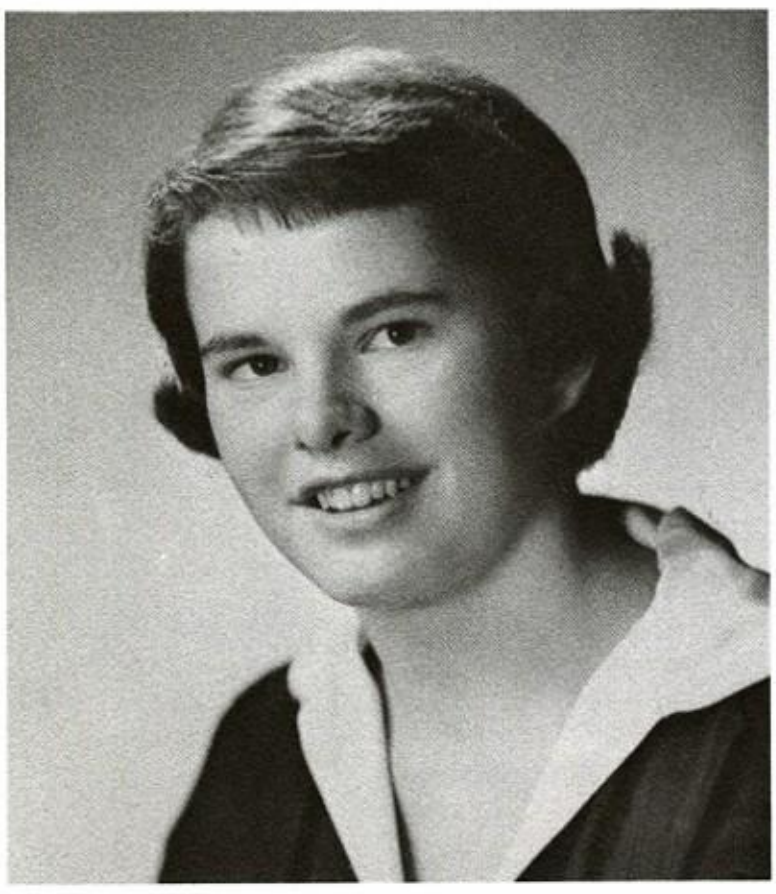


Sandy McKinstry

During her lengthy attendance at St. Nick, ten years to be exact, Sandy has been best known as the "Organization Girl." She has demonstrated this enviable quality when she successfully served as Junior Prom Chairman, as the Business Manager for both the *Quill* and the CANTORIA, and finally, as Class Treasurer. Sandy's initiative and exuberance facilitated her duties as Ski Club President and Ski Team Captain. Her musical talents have delighted all, and in fact, she is reputed to have been one of the founding members of Nonette, that harmonious group of chanteuses. We will remember Sandy for her many hair styles, her vivacious personality, her patience, but, above all, for her ability to take on a difficult organizational task and to do it well.

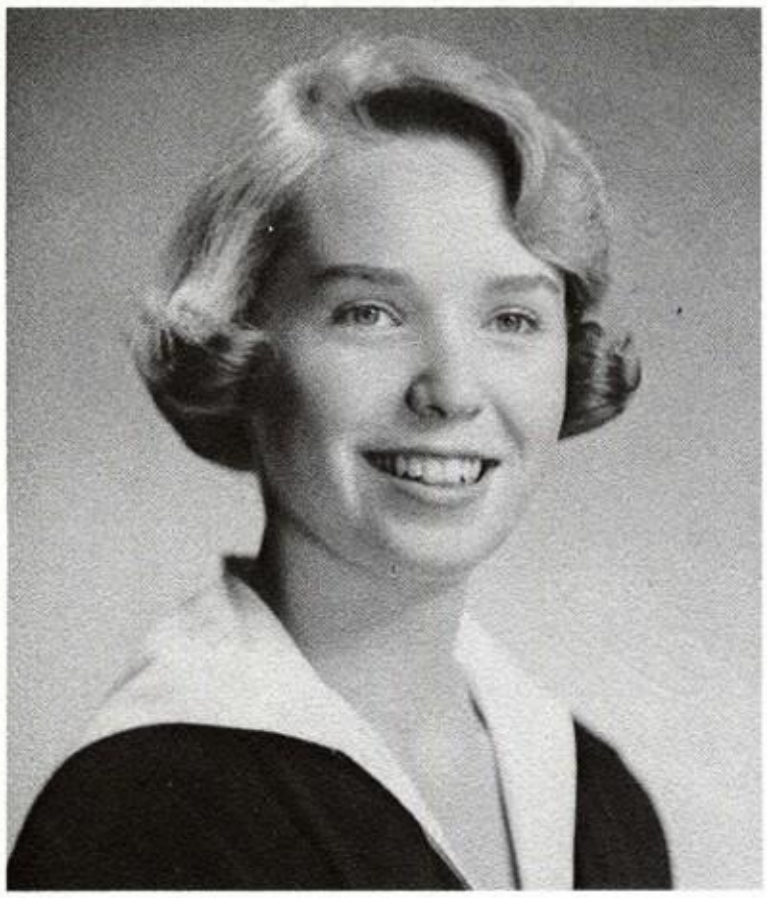






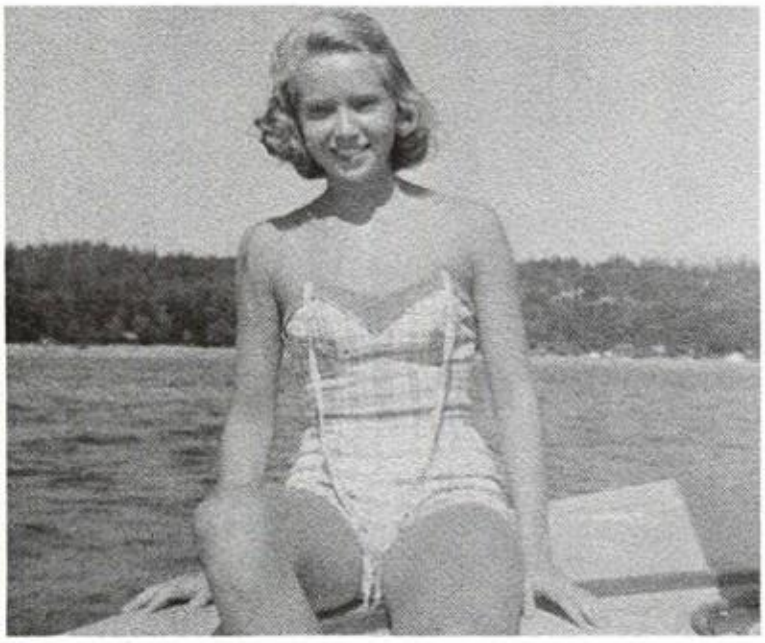
Cindy McMinn

Although Cindy has only been with us for three years she will be remembered by all of us. Because of her joking and humorous manner she has always kept the people around her in stitches. Forever famous for playing the violin, Cindy portrayed Ed in the Senior Play. Also as a member of the Glee Club she has proven her sincere interest in music appreciation. Anyone who has been fortunate enough to take an outing in Cindy's Penguin sailboat appreciates how highly skilled she is as a sailor. Always cheerful and anxious to please, Cindy has contributed much to the Senior Class.



Mindy Meyer

With a hoo-ha and a giggle, Mindy can be heard racing down the hall. Her gaiety and effervescence have never failed to dispel our doldrums. Among her activities we will most remember Mindy as Fashion Board Representative to Frederick's, or as the Angel in the Christmas Pageant, and, of course, as a vivacious cheerleader for Lakeside (RAH, RAh, Rah, rah). Perhaps her most awe-inspiring accomplishment is that she survived twelve years at St. Nick. In spite of this, Mindy is one of the best-liked Seniors. Her personal charm and amiability will surely take her far.



Dianna—
it seems so funny that we're all going our own ways after 4 years together. I'm going to miss your jokes when things are so bad and your cheery face every morning to greet me. We'll have to do alot together this summer and see each other during vacations. I wish you all the best luck at the U and in later life. Write as that first and stand up to your beliefs—
Love - Christ.

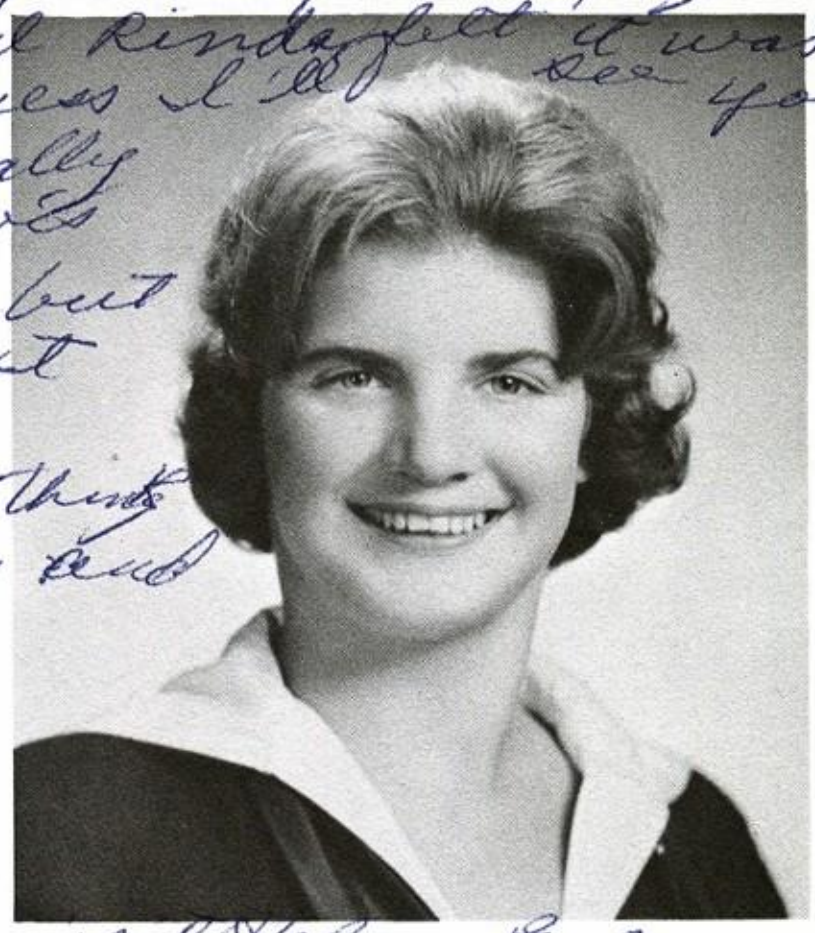
Christie Mickelwait

Christie began Saint Nicholas in her Freshman year with the same spirit of enthusiasm and conscientiousness that she still maintains. Her efficiency led her to become Class Treasurer in her Sophomore year, Class Captain in her Junior year, co-chairman for the posture contest and Alumnae Editor for the CANTORIA in her Senior year. Her athletic ability placed Christie on the varsity teams for volleyball and basketball; in the meantime she enjoys other sports such as swimming and skiing. Christie displayed her dramatic ability in the Christmas Pageant and in the Senior Class Play, "You Can't Take It With You." Christie's cheery face, big brown eyes and warm heart will surely be remembered.

Dear Dianna,

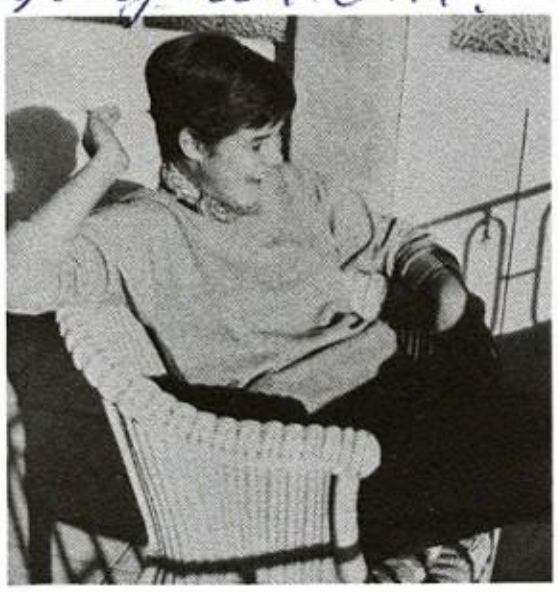
God! What a cool year! Forgive me for starting my little oration by swearing, but I kinda felt it was expressive. Agree? Well, I guess I'll see you at the U. N'est-ce pas. I really think that's better than Lewis and Clark. I'm speechless, but I will say we've had a beaut time in spite of those aggravating teachers! Just think we're really through with Nelly and Pumpkin! That was mean cause I really like her. Let's go visit Helen L. Junior next year. O.K? See ya next year.

Love,
Anne

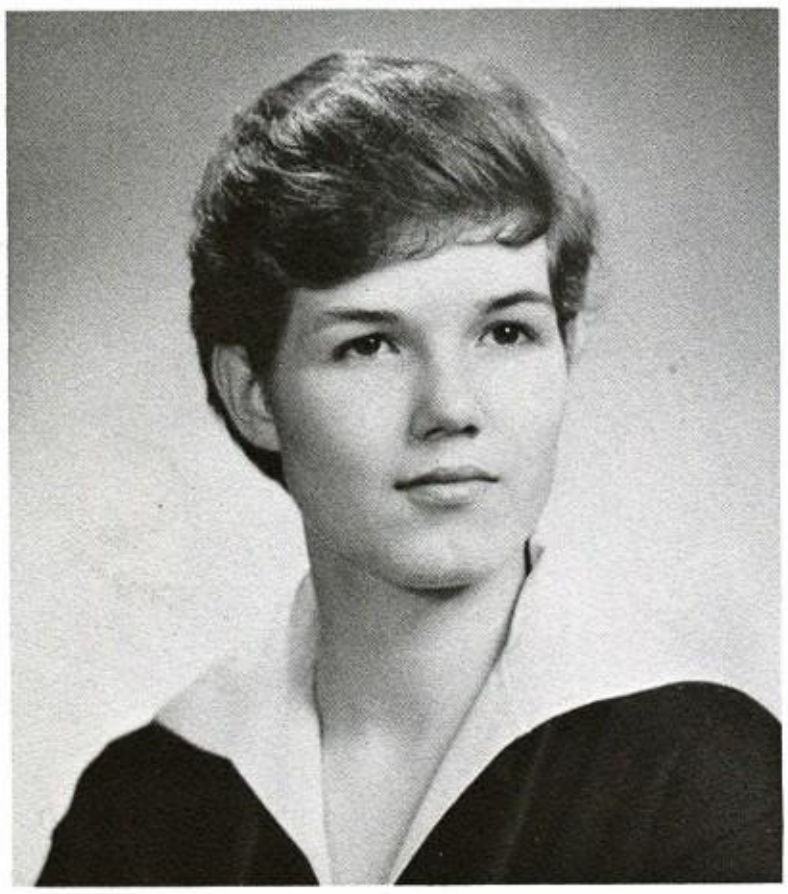


Anne Milner

Anne's ever-present smile, classic witticisms and warm personality have endeared her to all our hearts. Serving as Junior Class Vice-President, she proved herself a co-operative and enthusiastic leader. Her aid on the Prom and Senior Play committees contributed much to their success. Anne was awarded the prized role of Mary in the Christmas Pageant in her Senior year. As a twelve-year girl, she has always served as an inspiration to us all. It is Anne whom we will never forget.



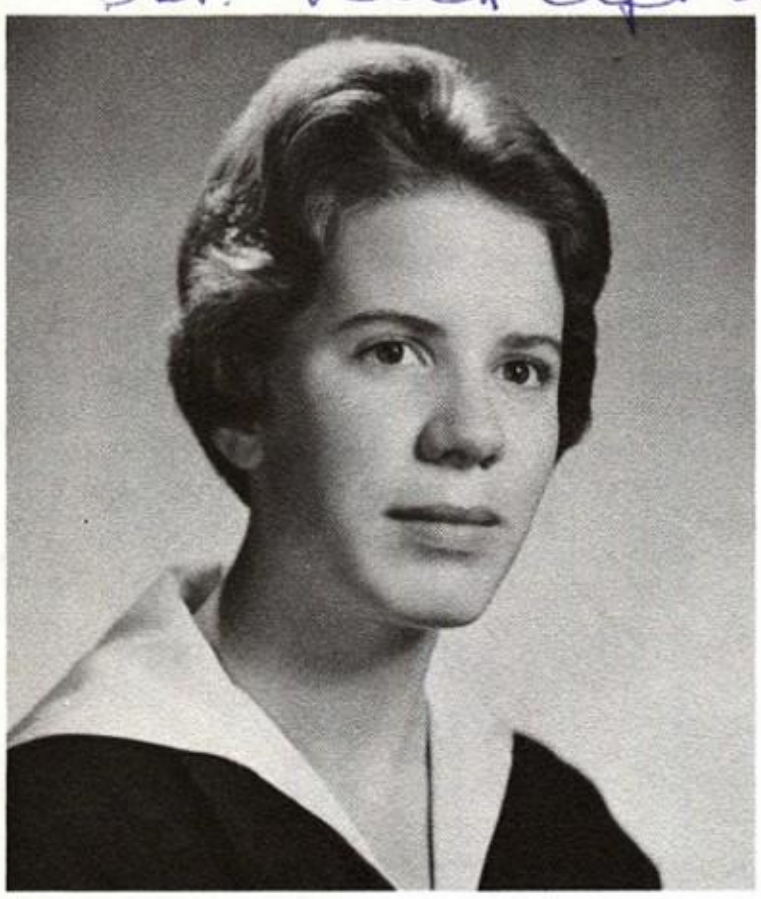
Dear Dianna,
It's been nice to know you and I wish you luck for College and later
Herzliche Grüsse
Heidi



Heidi Nuss

Heidi was the last member to join the Senior Class. She came over from Cologne, Germany, and started school the day after her arrival. Previous to her arrival in the States, she attended a Swiss school, La Chatelainie, where she completed the German school program. With her shy smile and charming accent, Heidi has been a pleasant addition to the Senior Class. Both Heidi and Aagot, our Swedish student, have made the class of 1960 one of the most cosmopolitan classes ever to be graduated from St. Nicholas.

Dear Nancy, After eleven years at St. Nick you're finally graduating - really do you feel any different?? Have much fun next year at the U of W & I know you will. Best of luck always. Love Pic



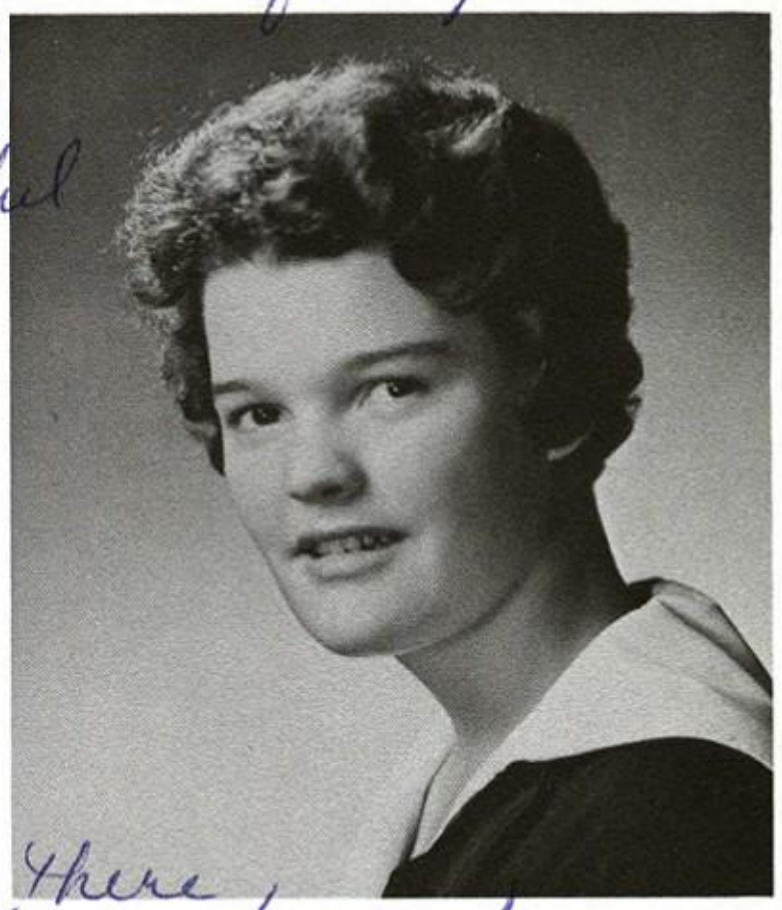
Nancy Pettit

"Pic" has become famous as one of the most energetic and fun-loving members of our class. Her versatility has been shown both in the fields of leadership and athletics. As gym captain during her Freshman, Sophomore and Junior years, Nancy has played an invaluable part in promoting class sportsmanship and enthusiasm for A.A. Nancy has also held various class offices, such as Secretary and Vice-President. Since she came to St. Nick in seventh grade Nancy has represented the high spirits of our class, especially when she brought down the house in the Senior Play. Nancy's continual giggle and great sense of humor have contributed much to the enjoyment of our high-school years.

Julie Plant

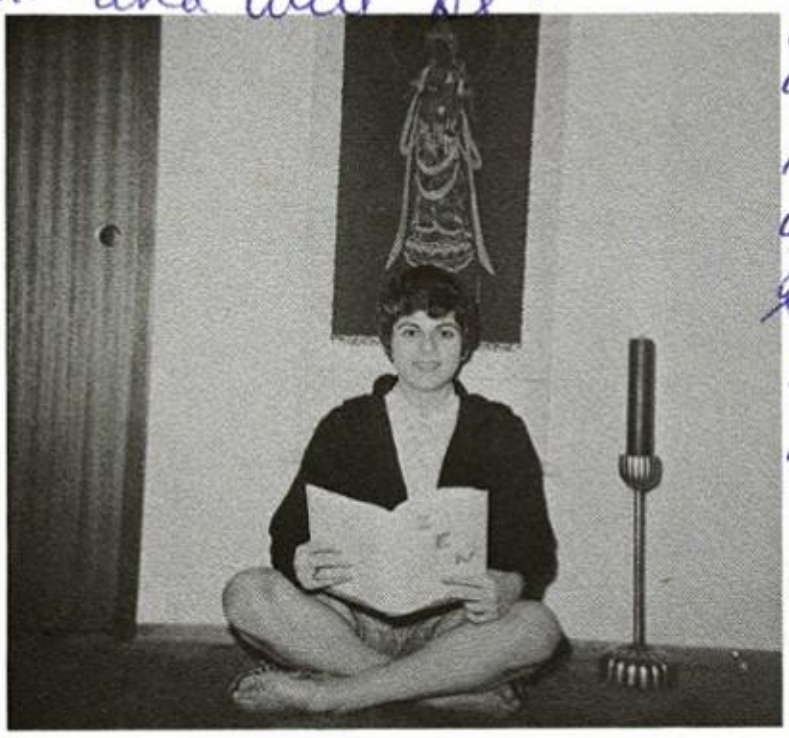
Julie joined the Class of '60 in the seventh grade but left us to enter Garfield in her Sophomore year, returning to St. Nicholas the following year as a Junior. She received the Biology Cup that same year for her excellent academic achievements in that subject. Julie served the class as Treasurer, Secretary and varsity team member. She also was chosen a cheerleader for Lakeside. In her Senior year her acting talents came out in "You Can't Take It With You," in which she played Tony, a love-struck and rebellious young lad. Julie's conscientious spirit is illustrated by her efforts as a CANTORIA staff member, but Julie likes to have fun, too, and especially enjoys swimming and skiing. Julie is one of the jokers of the class and, because of her easy-going personality, she is liked by all.

Dear Dianna
It is so hard to realize that this wonderful year is over. It must be nice to graduate from here after eleven years but we certainly have some wonderful memories from the past four years. I know you'll have fun at the U. and will be as much of an addition there as you have been here. Have a great summer. Best of luck always love Potts

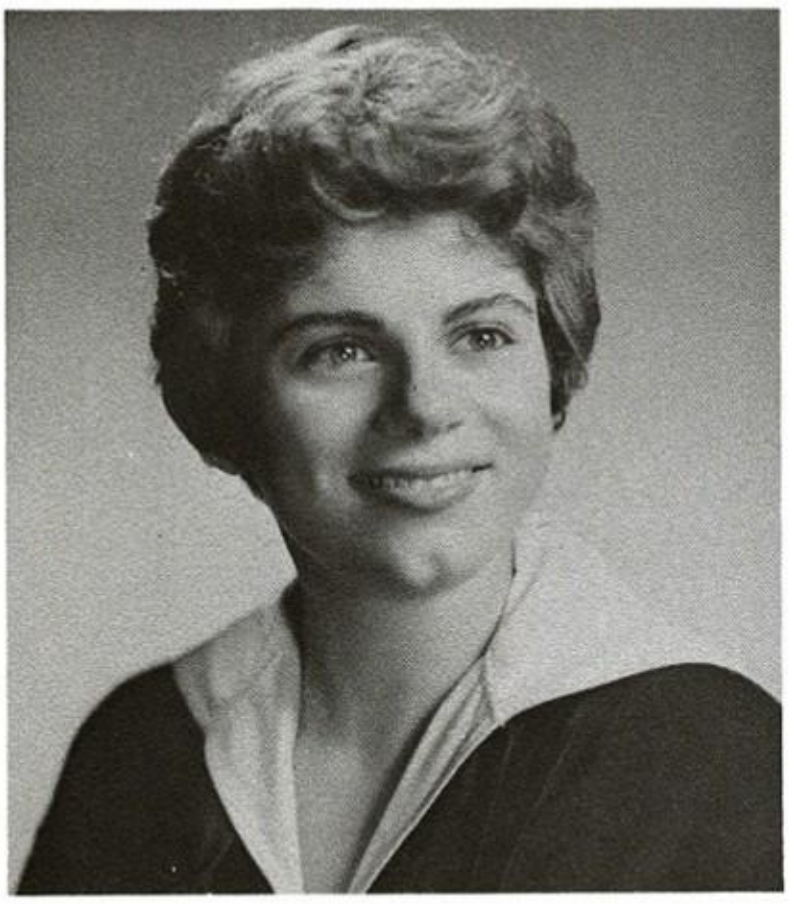


Caroline Potter

Caroline is the type of girl who would be a welcome addition to any group. Her sincerity and thoughtfulness, coupled with her outstanding sense of humor and enthusiasm, have made her a most valued member of our class. Highly skilled and greatly interested in sports, Potts served her class as gym captain for four years, was on all the varsity teams, and was elected A.A. Vice-President in her Junior year. As Class Secretary, Class Treasurer and Activities Editor of the CANTORIA, Potts proved that she can be depended upon to do any job, and to do it well. She also took part in other activities such as the Senior Play and the Christmas Pageant and was on the honor roll several times. We will always remember Potts for her willingness to lend a helping hand and for her unparalleled sense of fun.



Dear Dianna,
It's really been cool knowing you this year — we've sure had a lot of fun but, unfortunately, the year has gone much too fast. I know you'll have a wonderful time at U. Wash and I hope I see you this summer.
Love,
Shady



Joan Schenkar

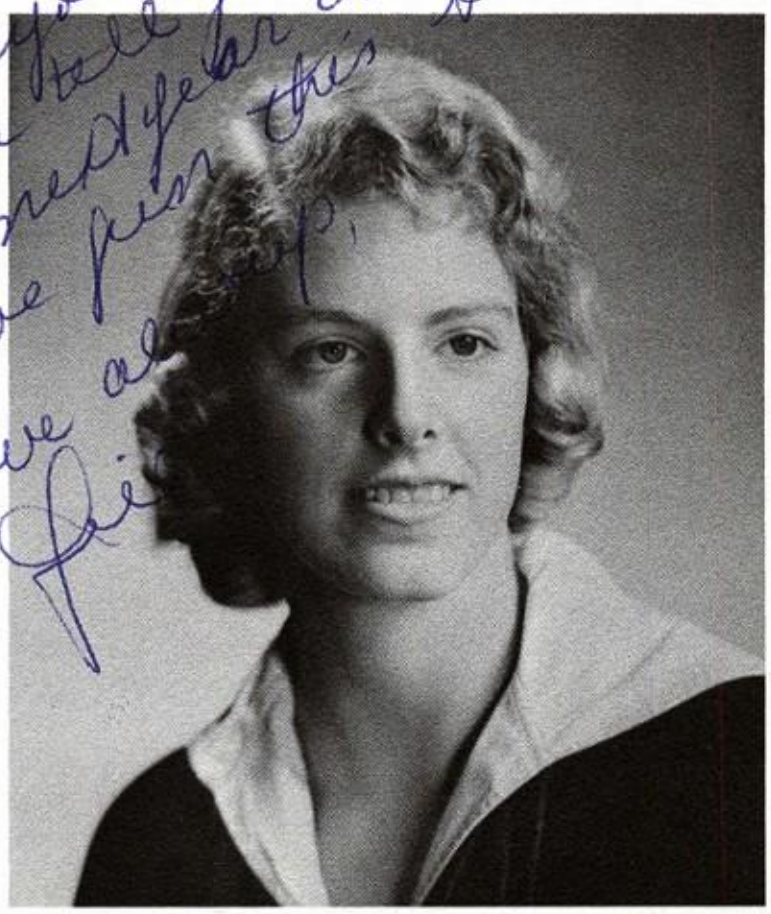
During her two years at St. Nicholas, "Shady" has made herself known to the whole school—and the pumpkin growers of the area. Our class will remember her as Secretary during her Junior year, but more for her unique capabilities, art ability, and excellent vocabulary, and most of all her ability as Poet Laureate of the Class of 1960. She is able to express in lyric stanza the sentiments of the entire group. Her famous escapades have made Joni an indispensable part of our class.

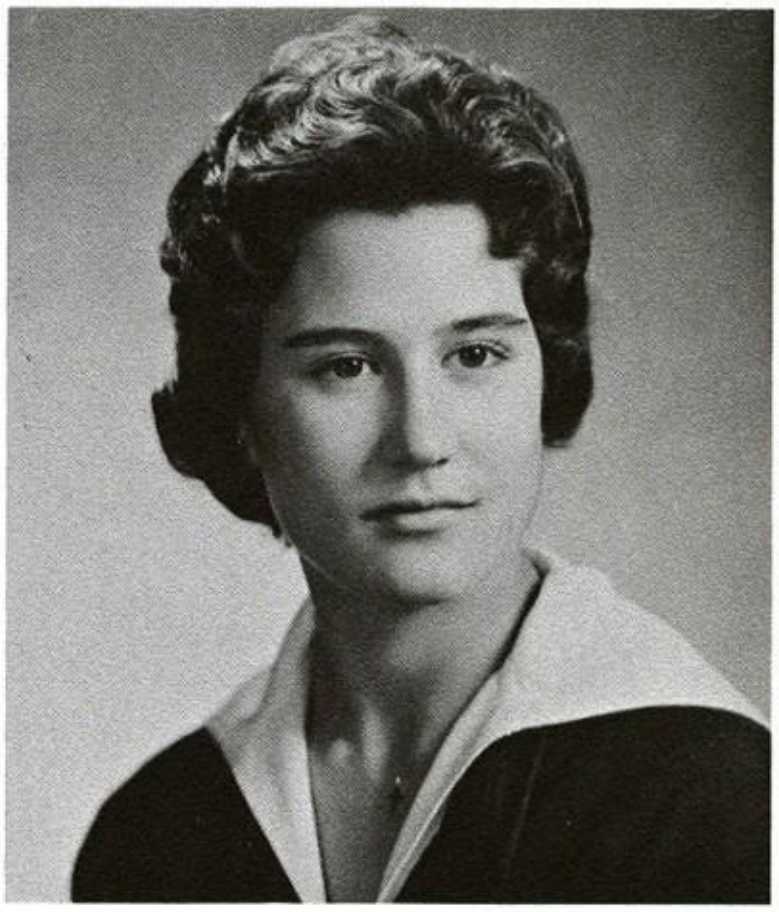
Dianna Tucker

Dianna's sense of participation and class spirit can be seen through her election as Vice-President of the Junior Class. She also has taken part in many extra-curricular activities such as after-school sports and the Christmas Pageant. Dianna is noted for her observant eyes, for she was the one who found the Senior key. We will always remember Dianna for her happy personality and infectious giggle.

Jill Wahlenmaier

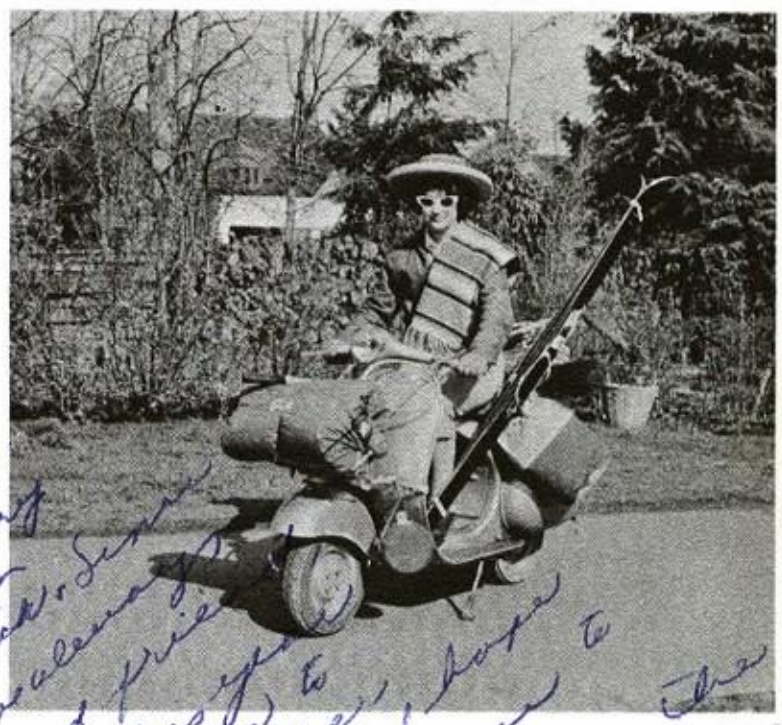
Tall, blond Jill has, during her five years at Saint Nicholas, shown ability in various fields. As a member of the varsity team and by a steady appearance at turnouts, she has done a great job of helping the Seniors win many victories. Her athletic ability also includes skiing, swimming and boating. During her Sophomore year her excellence in academic subjects was shown when she won an award in Latin and the Prix d'Honneur in French. She also was a participant in the French Play. However, the things we will remember most about Jill are her willingness to help, her optimism, and, above all, her sense of humor.





Judy Warrack

Judy's gay wit and inexhaustible energy have proven to be her most salient characteristics during her intermittent terms at Saint Nicholas. She joined our class in the fourth grade, left for Bellevue in the eighth grade and did not return until she was a Sophomore. Because of Judy's proficiency in math she was repeatedly elected Treasurer of our class. Her capabilities as an organizer were also proven when she served as Class Secretary and as a member of the Prom Committee. Whenever Judy shouts the one Russian word she knows, we quickly remember her comic and quite hilarious portrayal of Kolenkov in the Senior Play. Judy's keen interest in Guatemala and her favorite pastime of creating merriment within our class have added much to the enjoyment of our school years.



Mary-Edith Wilkinson

Along with many in our class, Mary-Edith came to Saint Nicholas in her Freshman year. Her abilities were soon recognized and she was elected Class Secretary in her Freshman and Sophomore years. Having ably carried out these tasks she was elected Vice-President of Student Government in her Junior year and later that same year was awarded the Leadership Cup. Mary-Edith has also been a member of the Nonette for three years, was Glee Club President during her Senior year and in her Junior year was one of the narrators for the Christmas Pageant. Her clever interpretation of Penny in the Senior Play, "You Can't Take It With You," will be long remembered.

Cum Laude

Seven girls—Boo Edmunds, Alice Harper, Ann Hoover, Cynthia Katz, Lynn Lasley, Julie Plant and Mary-Edith Wilkinson—were initiated Friday, April first, into the St. Nicholas Chapter of the Cum Laude Society, in a formal ceremony held in the auditorium. Mrs. Helen Gilbert was the honored guest and speaker for the occasion.

The St. Nicholas Chapter of the Cum Laude Society was established in 1956. Faculty members, including those who hold membership in Phi Beta Kappa and Sigma Xi, are Miss Edith Rowe, Mrs. Ann Neil, Mme. Laure Nichols, Mrs. Amy Mates, Mrs. Nancy Prichard, Mrs. Florence Wiltsie and Mrs. Helen Burke.

Senior Mothers

We are very grateful to our mothers for the tremendous amount of help they have given us throughout this year. They have been busy attending meetings, giving advice and donating money to their favorite cause, the Class of 1960.

Junior Class History

This year was filled with activity for the busy Class of '61. Holding an autumn tea, the Juniors honored Mrs. Neil, their former class sponsor. During the year they successfully undertook the money-making projects of the food sale, candy-selling, and the Spring Fashion Show. They also put out the school newspaper, the *Jinx,* and, being an athletic class, captured the volleyball cup. After mid-term exams the Juniors gave a most enjoyable prom, honoring the Senior Class. With the invaluable support of Miss Lidgate, their class sponsor, the Juniors had a successful year and are looking forward to their year as Seniors.

Sophomore Class History

The Sophomores have had a very busy year which began with an annual tea honoring the members of their sister class, the Seniors. To increase their treasury, they sold pictures of the Lakeside football team and presented two ski movies. In addition, they sponsored a play, *The Boy Friend,* given at the University of Washington Showboat Theater. With the able assistance of their sponsor, Mrs. Prichard, they edited and published the Saint Nicholas literary magazine, the *Quill.*

Freshman Class History

With flapper-type skirts and garters a dance hall girl would be ashamed of, the Freshman Class struggled through the two days of the Lambda Theta Upsilon mock initiation. However, all this was worth the pains, because the Class of '63 had the honor of being the first to be formally initiated as Freshmen. After Christmas vacation and the horrors of exam week, the class started off the new year by honoring Miss McBain at a St. Patrick's Day tea which, with the help of their class sponsor, Mrs. Neil, was a great success. Being the youngsters of the high school the Frosh look forward enthusiastically to three more enjoyable years at St. Nick.

The principles of Student Government are based upon personal honor and consideration for others. Each officer pledges herself to uphold these ideals and encourages other students to do likewise. The main business of the organization is carried out by a Student Council of the officers of Student Government and the Class Captains.

Athletic Association

ELIZABETH EDMUNDS, *President*

"I hereby accept the responsibility of office and pledge my honor to uphold the standards of good sportsmanship in all phases of school life, to cooperate with both faculty and students, and to be a leader at all times and an example."

The Athletic Association promotes athletic activities for every girl and fosters an understanding of good sportsmanship which may be applied on and off the athletic field. During the past year, the St. Nick varsity teams have been victorious in both volleyball and basketball. It is through such events that the understanding of good sportsmanship is achieved.

The "S" Award

The "S" pin, awarded to the Junior who best exemplifies the spirit and enthusiasm of the Athletic Association, has been worn most worthily by Lynn Lasley this past year.

Ski Team

With Don Fisher as ski coach and Sandy McKinstry as Captain, the ski team has progressed admirably this year. The three Sophomores, Sally, Ginger and Vicki, are especially to be commended, for it was due primarily to their proficiency that St. Nick won third place in the All-City Team Race.

Volleyball Championship

The Juniors succeeded in defeating the Seniors in the final playoff to win the volleyball championship. This disrupted the Seniors' previous two-year victories. The members of the team included Wheatman, L. Mason, M. A. Genung, M. Isaacson, Ogden, S. Isaacson, Wolgemuth, Hixon, Crissey and Bailey.

Basketball Championship

The Seniors defeated the Juniors at the Father-Daughter Banquet to win their second consecutive basketball championship. The members on the team included Lasley, Gandy, Plant, N. Pettit, McKinstry, Harper, Edmunds, C. Carlson and J. Carlson.

Lambda Theta Upsilon Association

JANE CARLSON, *President*

"By taking this pin I pledge myself in the spirit of good fellowship, to uphold the two ideals of Saint Nicholas School, personal honor and consideration for others."

This oath, given at the formal initiation of the Lambda Theta Upsilon Association, embodies the whole goal of the organization. Lambda started during World War I as a charity organization. It tries to help people who are more unfortunate with drives in support of the March of Dimes, National Cancer Society, Orthopedic Hospital, Red Cross and others. It also tries to give us an understanding of the needs of these organizations and a desire to help them in all possible ways. By sponsoring the American Field Service, an organization of international understanding, the obligations of Lambda Theta Upsilon have been increased. It now also works for tolerance and understanding among nations as well as an appreciation of the customs and ideals of other lands.

Aagot Edwin

Aagot, as the second Lambda-sponsored foreign exchange student to Saint Nicholas, comes from Hallstahammar, Sweden. Her ability in the English language approaches perfection. She has adapted herself seemingly without effort to American customs and traditions. In her single year at Saint Nicholas, Aagot has become an integral part of the student body. We feel very fortunate in having such a wonderful exchange student. She is a most delightful good-will ambassador; she personifies friendliness and the Lambda motto.

On September 29 and 30 the Freshmen and new girls went through the rigorous Lambda Theta Upsilon mock initiation. During these two days the Freshmen could be seen carrying upper classmen's books, polishing shoes, and wearing their uniforms backwards. On September 30, Lambda set a new precedent by formally initiating the Freshmen along with the Sophomores.

The Diana Gardner Plaque is awarded each year to the girl who has earned the most points for community service. Alice Harper has held it for the past year.

Glee Club

Again this year the Glee Club has entertained the school on many different occasions.

Nonette

This year the Nonette has been very active, singing for several of our assemblies and lunches. The Nonette consists of nine girls—Wilkinson, Benaroya, Ambrose, M. Collins, Elander, Haslund, M. Isaacson, Hixon, and Wolgemuth—plus Hanni Crissey, who is their accompanist.

The *Quill,* issued every year by the Sophomore Class, is a collection of prose and poetry taken from each class in the school. From left to right are Marilyn Remington, Art Editor; Anne Mason, Editor; Lee Ann Bowie, Copy Editor, and Ginger Pettit, Business Manager.

The Junior *Jinx,* the school newspaper put out by the Junior Class, was again published this year for the whole school's enjoyment. The staff included Hanni Crissey, First Semester Editor; Sue Haslund, Second Semester Editor; Karen Elander, Laura Beth Mason, Mary Anne Genung, Jeannie Kotkins, Mary Collins and Barbara Bailey.

Fashion Board

ROSALIND BENAROYA.....*Best's Apparel*
MINDY MEYER.....*Frederick and Nelson*
ALICE HARPER.....*Nordstrom's*

Each spring Best's Apparel, Frederick and Nelson, and Nordstrom's choose one girl from the Junior Class to be on their fashion boards the following fall. These girls bring their ideas on fashion to meetings which are held at the various stores, thus helping them keep up to date with the needs of high school girls.

This year's Christmas Pageant entitled "The Christmas Story" was presented in seven acts. Preceding the pageant Linda Emery gave the traditional welcome speech; Ann Schroeder told the Christmas Story, and Mary Anne Genung and Cynthia Hixon were narrators for the play.

Senior Play

On November 20 the Seniors, with their usual enthusiasm, presented Moss Hart and George Kaufman's wacky play, "You Can't Take It With You." Under the able direction of Mr. S. E. Gould from the University of Washington's Drama Department, the play was, indeed, a great success.

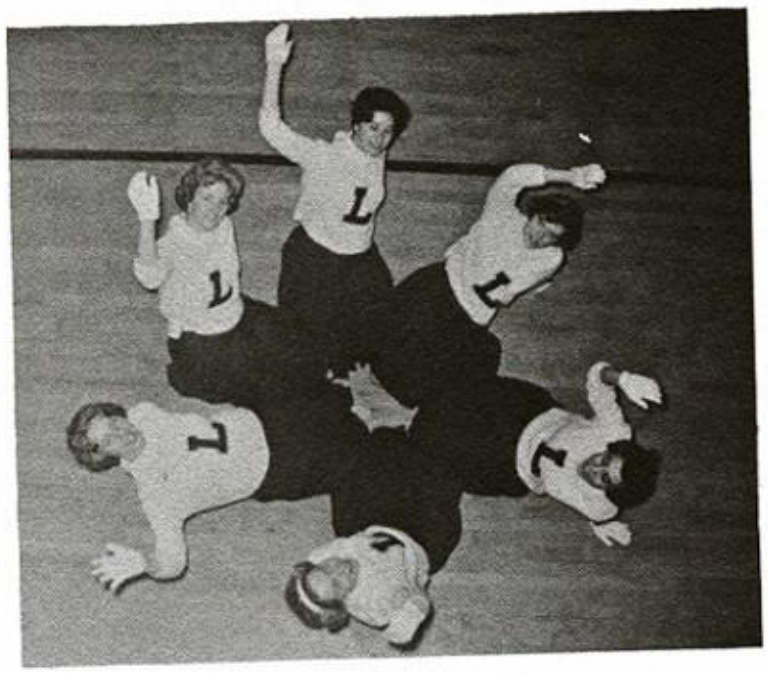
Father-Daughter Banquet

The Father-Daughter Banquet was held March 25, 1960. The Nonette entertainment during dinner was followed by group singing led by Mr. Philip Wolgemuth. The championship basketball game between the Juniors and the Seniors was won by the Seniors, 25-19. The Junior fathers beat the Senior dads during the half-time game, 6-2.



Cheerleaders

Throughout this year the Saint Nicholas cheerleaders have faithfully rallied at Lakeside football and basketball games. They conducted a pep assembly with the captains of the football team which gave everyone a chance to learn the cheers which raised enthusiasm for the coming games.

A FABLE

There once was an elephant named Jumbo. He loved to draw. He drew a beautiful picture of a jungle. Then he invited his friends to come and see it. He opened the cover of his canvas.

"What that picture needs is a field of corn," said Mrs. Pig.

"What that picture needs is a big piece of ice to slide on," said Mr. Seal.

"What that picture needs is a banana tree to climb in," said Mr. Monkey.

Then they all went away.

The next day Jumbo painted a picture with a huge piece of corn in it, a big white background which was ice, and a banana tree which was all bananas and nothing else.

When he invited his friends again, they all said it was very messy, and left.

Remember: If you try to please everyone, you will end up pleasing no one.

TIME

Neither hurried
nor hesitant,
Never waiting,

The footsteps of time
travel onward,
Never slowing with age,

THE RAINBOW

I'd like to live on a rainbow,
So lovely and so bright.
I'd like to dance upon it,
And sleep on it at night.

To see its lovely colors,
A lovely bridge to cross.
And see the red and yellow flowers,
And grass as green as moss.

To have a pair of wings,
All for my very own,
And explore the lovely rainbow,
At least until I'm grown.

A DREAM

A dream is a vague thing
That passes through the mind,
But a dream is a real thing
And that's hard to find;
And though you may question
Its very core,
A dream is a dream
And nothing more.

HAPPINESS

I seek happiness;
Freedom from worry and hate.
I seek happiness,
Grief seems to be my fate.

Happiness comes from peace and love;
Riches are not relevant.
Happiness cannot be bought,
But in this way is often sought.

Happiness is a goal,
Attainable by few.
It's buried in my soul,
And cannot seep through.

LEE ANNE BOWIE

I STOOD ALONE

On the beach I stood alone
And wondered at the sea
It stirred my thoughts inside my mind
And made me feel free
From all the worries that I had
Inside me standing there
And all the troubles of the world
And what was or wasn't fair.
A seagull soared above me then
And gave a mournful cry.
He flew about so gracefully
That I let out a sigh.
And then he flew away and I
Decided I must go.
And then I saw the setting sun,
It gave a lovely glow.
I said farewell and left it then,
It pained me much to go,
I turned my head and said goodbye
I really love it so.

OBSERVATION

It seems that when I'm happy,
And want the time to stay;
The hands go twice as fast then,
As on a dreary day!

And when I'm bored and lonely,
With nothing much to do,
The time goes e'er so slowly.
Is that the way with you?

FREEDOM

What is the use of living
If man cannot be free.
Free to watch a sunset,
Free to sail the sea.
Free to take a walk
In the middle of the night,
Free to live his own life
The way he thinks is right.

I'M SICK

I'm really quite ill,
Though I don't need a pill.
I'm just burning up,
But I don't need a cup
Of good strong camphor tea.

If you will excuse my complaining,
I really will do some explaining
Of my miserable ills,
Uncured by tonics and pills.

Spring fever, you see,
Has a grip on me.
It's quite mysterious,
I'm really delirious
On a pretty spring day
In February, March or May.

THE SEARCH

A score of people on the omnibus
And not a murmur save the moaning motor.
Twenty minds of many kinds and nothing
to discuss,
Each with his own story frozen by hesitation and doubt.

Eyes meet eyes across a silent aisle
And shyly avert to shoes or posters,
But slyly creep back, searching for a smile,
With hope that such expression will appear.

The face is a mirror of human feeling.
Its reflections are studied by an audience
That responds to the warmth it is revealing.
Friends forever follow on amiable visage.
